# Déroulement

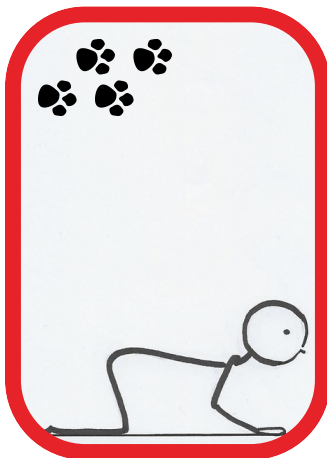

## La promenade de la chenille

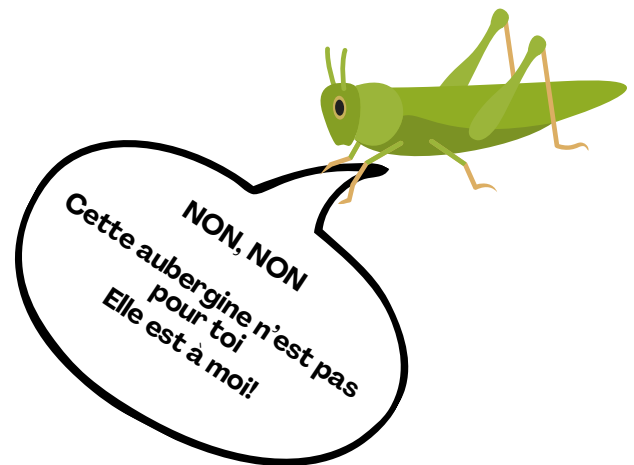

les ailes de la libellule

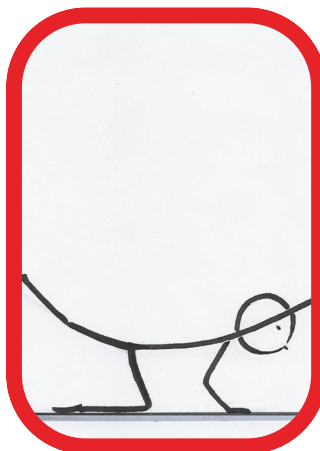

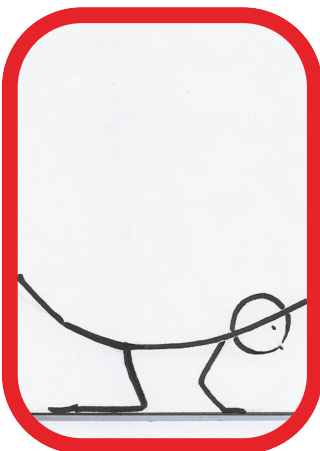

Alors la chenille s'en va

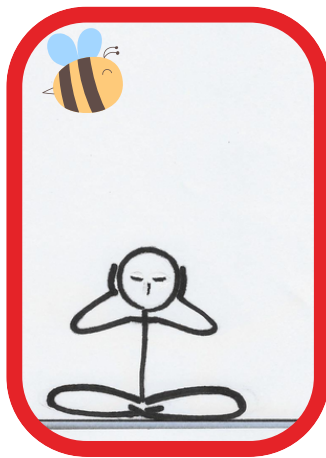

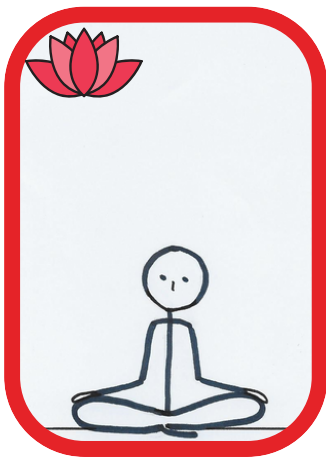

la sauterelle,

Alors la chenille s'en va

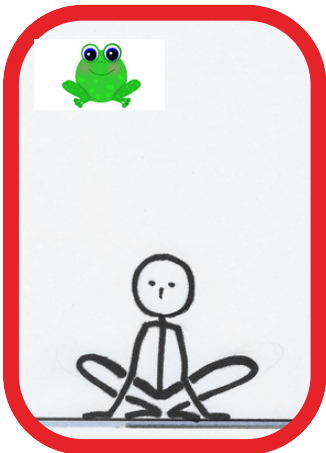

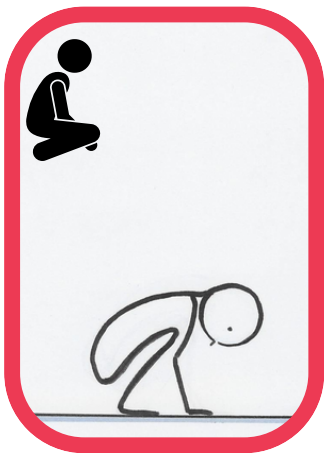

lever une jambe et le bras de l'autre côté  
même chose autre jambe et bras

l'abeille endormie  
les mains sur les oreilles faire  
"mmmmm"

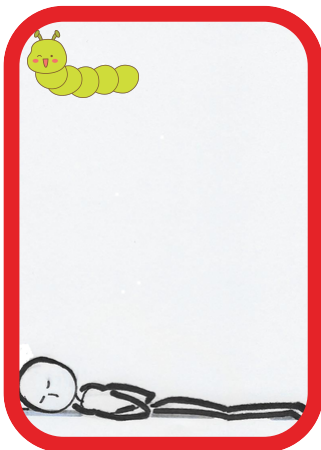

Alors la chenille s'en va

la grenouille

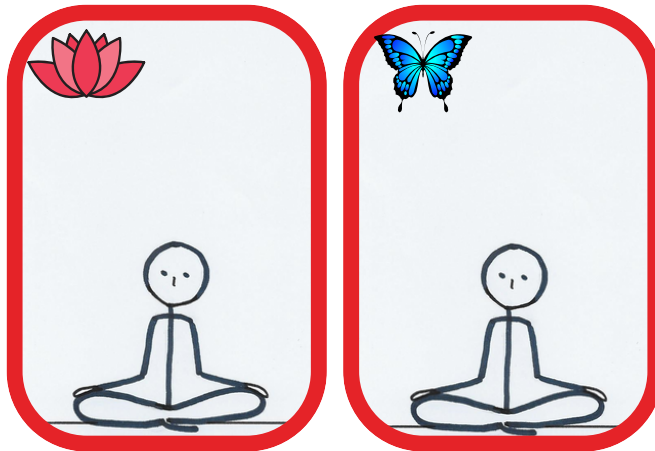

Alors la chenille s'en va

la chenille s'enroule dans son cocon  
rouler sur le dos d'un côté et de l'autre

La chenille sort de son cocon

Le papillon

*“Vole vole vole  
papillon  
au-dessus de mon village  
Vole vole vole  
papillon au-dessus  
de ma maison...”*
